PRETTY AS A  
PEACOCK

Introduce your sweet girl to these beautifully feathered friends.

# Trendy tots

Fashions for the small crowd.  
PRODUCED BY LAUREN BROCKMAN

## Growing up

This super-affordable set of 12 stickers makes documenting baby's growth on a monthly basis easy, breezy and cute to boot! Customize a basic body-suit to showcase baby's age (and accessorize with some irresistible legwarmers, if you're so inclined), then take advantage of the primo photo op. By baby's first birthday, you'll have a series of pictures worthy of proper framing and display.

## Gaga for gingham

It's not just for tablecloths anymore: Checkered designs are cropping up all over baby's things.
